

MALAWI FEDERATION ECOSAN BUILDERS PROFILE

MULANJE ECOSAN TOILET BUILDERS

Name: James Gavana

Location : Nanyalonje village T/A Mabuka

Age : 38

Sex: Male

Marital Status: Married

Family Size: 5

Phone #: 0993287045

Highest Level of Education: Primary School

James was introduced to the skill of construction by his uncle some 18 years ago. Since then he had been constructing small houses and pit latrines within his village. Five years ago, his friend who had undergone EcoSan Toilet construction training facilitated by CCODE in 2013, started to engage him in the construction. Specifically, his skills in bricklaying, flooring, plastering and roofing were needed at the EcoSan construction site. Since then he continues to perfect his skill in the actual constructing of the toilets.

To date, he has constructed a total of 15 EcoSan Toilets. While he is proud to have acquired the skill which CCODE is perfecting through refresher courses, he says he will be glad if he could be acquire a certificate in EcoSan Construction to be an evidence of the skill he has obtained, so that he can get more opportunities. Currently He makes an average income of MK35,000 (\$47).per month.

Name: Pensulo Gambula

Location : John Chiwaya A Mabuka

Age : 24
